

MANAGEMENT OF TRAVEL HEALTH IN COMMUNITY PHARMACY

Scottish Pharmacist Awards 2019/20

Application form - Rules & Guidelines

Entry is FREE

Entry deadline is Wednesday 6 November, 2019

- Please send a high resolution photo of the Pharmacy team or the exterior of the pharmacy with your application form
- Please complete the application form, adhering to the word count for each section

Travel and vaccination clinics are increasingly providing community pharmacists with the opportunity to use their clinical skills, with patients able to take advantage of the 'one-stop-shop' approach to their travel health in a convenient and easily-accessible manner. The winner of this award will have clearly demonstrated an innovative approach to this pharmacy service combined with excellent patient outcomes.

Why enter?

The world, they say, is getting smaller and people now travel to every corner of the earth for relaxation, discovery and adventure. It's vitally important, however, that they are fully covered for any health eventualities. With today's hectic lifestyle, however, making appointments with the GP for jabs doesn't always fit into a working day.

If you're a pharmacy team that is focused on delivering a travel and vaccination clinic to your local patients: a clinic, which provides a vital role in delivering a first-class service that covers vaccinations but, equally importantly, advice and information, then this category is perfect for you.

Who can enter?

This category is open to all pharmacies, either independent or group, which can clearly demonstrate a successful track record of providing a top-class vaccination and travel health clinic for the benefit of its local patients.

All entries will be judged by an independent panel of experts, who will be looking for:

- Pharmacies which have the travel and safety interests of their patients at the heart of their business, with staff members who actively encourage and support each other.
- Clearly-defined, well-evidenced examples of initiatives and projects, which demonstrate innovation, productivity and pharmacy excellence.

If you have questions, concerns, or just want to speak with one of the Scottish Pharmacist Awards team, please call Aoife Jackson: 028 90 270 940 or email: awards@scottishpharmacist.com

If you are applying online, please complete the form below and ensure you click the 'submit' button for your application.

If you are submitting your application via email, please email the application to, awards@scottishpharmacist.com
